

**On offer October 12, 2017, 21 beef cows, mostly purebred Red Angus, 6 with calves at side, all double vaccinated this fall, spring calving cows, ASL will preg check. Bred to Char/Red Angus bull. Calves from this herd have topped fall and winter feeder sales in past years. Excellent group of working cows, can be bred anyway to give top calves. Biggest calves will be sold at the October feeder sale.**
