

On offer Saturday October 27, 2018 from Kingsmeadow Land and Cattle Ltd.

8 bred heifers (reds and blacks) bred to Red or Black Angus for January to April calving. Vaccinated with Triangle 10. These are top shelf heifers, 1400lbs, perfect combination of maternal cross bred to easy calving Angus. Cows that will calve easily, breed back quickly, raise a big calf and last for years.
